Official Results

The final Tournament of the 2022-2023 season is now complete and these results are official.

This tournament is awarding \$18,500 in scholarship money which includes \$6,000 added from the provincial scholarship fund. Please visit the **O.T.B.A website** for any outstanding scholarship money you may have. Remember that you can only claim this up to age 25, and that it is eligible for all sorts of education-related expenses, not just limited to tuition.

It takes a lot of people to make this tournament a success. Special thanks to the expertise of Kevin Picott for entering, tabulating, posting, and creating this report. Thanks to Classic Bowl for hosting this special event and making it an enjoyable experience. Many thanks to the volunteers, lane runners, fund raisers, and souvenir seller, but most of all thanks to the parents, coaches and bowlers that make this event possible.

If this is your final year of youth bowling we hope you have enjoyed your journey. If it is your first year we hope you will return for many more. For now enjoy the rest of your summer. The 2023-2024 season is just around the corner.
