This tournament is awarding over \$22,000 in scholarship money which includes \$10,000 added from the provincial scholarship fund. Please visit the O.T.B.A website for any outstanding scholarship money you may have. Remember that you can only claim this up to age 25, and that it is eligible for all sorts of education-related expenses, not just limited to tuition.

I would like to use this space to thank the people that make this such a success each year

- Thanks to Murray Misener and Christine Harding for manning the souvenir booth.
- To the management and staff at Classic Bowl who make your stay and competition an enjoyable one.
- To the coaches and parents who make it possible for youth to participate in this great event.
- To the volunteer lane runners who gave up their time to help get scores logged and solve all of your problems as they arose.
- Special thanks to Kevin Picott who tabulates and posts all the final stats to the web.

- Good luck to all the bowlers who have competed in their final junior event. We hope your youth bowling has been an enjoyable one. For those attending your very first tournament we hope we will see you for many years to come.
- Hope to see you next year!
